

2021 Art and Craft Show

The Art Gallery at Kirra Community Centre was the venue for our Art & Craft show in October.

We had around 60 members of U3A exhibiting their paintings, calligraphy, sewing and macrame items.

We were very happy to sell 13 items, 10 of which were paintings and 3 macrame. This was a decided improvement on last year where we sold 4 paintings.

The visitors who saw the show overwhelmingly were impressed with the standard of exhibits and many remarked that it was our best show yet.
